

# WELCOME TO THE VILLA

*Dear Wine Lover,*

*In putting this list together, we felt that we had various demands to satisfy. Firstly, a wide range of styles and flavours to suit all palates. Secondly a variety of acidity, tannins and structures to complement the diverse dishes on offer.*

*In the end we decided that the overriding factor had to be the passion shared for wines by you and of course ourselves. Consequently, in compiling this offering we included only those wines which brought a grin of pleasure upon consumption.*

*Therefore, in close consultation with our wine supplier C&O Wines we have listed wines which appeal to differing palates and wallets, which without exception are excellent examples of wines of their type and origin.*

*Furthermore, like a good wine which evolves over the years so will this list. As new wines of the highest quality are discovered the world over, they will surely find a place with us.*

*All wines are subject to availability with various vintages; for more information please ask a member of staff for further information. If a specific wine is not available, we will do our best to accommodate a similar wine as an alternative. If you have tried something special and would like us to source the wine, please let us know and we will be happy to assist.*
